

YOU ARE INVITED

IMAGINING A BETTER FUTURE FOR THE COMMUNITIES OF RAISIN CITY AND PERRY COLONY

The Tranquillity Resource Conservation District is inviting the residents of Raisin City and Perry Colony to attend an informational meeting on how you can help your communities imagine a vibrant and better future.

Residents have the opportunity to share their interests, concerns and recommendations that will contribute to the development of an implementable plan of action to improve community's resiliency in the face of climate change and other factors impacting their wellbeing.

The TCC Planning Initiative is focused on the development of the Agricultural Economy and Workforce of the Future that is sustainable and drives towards regional self-sufficiency.
